

Humic-Pro-L

Root enhancer

THE MOST EFFICIENT FOR Root Enhancer

Humic Pro stimulates plant enzymes and the proliferation of desirable microorganisms yeast, and algae. Humic Pro accelerates the formation of roots and the permeability of plant membranes thus promoting the intake of nutrients and increasing vitamin contents in plants. Humic - Pro works as an organic catalyst, stimulates root growth & aids cell division, increasing the ratio of root and plant development.

CONTENT:

Total Humic Acid	12.0%
Total Fulvic Acid	6%
Total other bio organic	82%
Seed Treatment	5-10 ml / Kg
Drip Irrigation	1 Liter / Acre
Foliar-	2-3 ml / liter

BENEFIT:

- Accelerating germination
- Enhancing seedling vigor and root growth
- Improving uptake and translocation of micro and macronutrients
- Inducing early maturity of plants in higher yield and better quality of crops produce.

SPECIALITY: High field efficacy. Boost in EC. Seerin- Humic Pro L is compatible with most water-soluble fertilizers. Safe and Easy to Use.

CROPS: All Vegetable Crops, fruits, field crops, and Nursery Plants.
